Donation of Mutual Fund Units to St. Paul's Foundation of Vancouver

Thank you for your interest in donating mutual fund units to St. Paul's Foundation of Vancouver (CRA Charitable Registration No. 11925 7939 RR0001). A gift of mutual fund units is a tax effective opportunity to transform assets into immediate and significant support for the people and families served by Providence Health Care ("PHC") through its acute care hospitals, residences and other facilities, including St. Paul's Hospital. By donating and transferring mutual fund units to a Canadian registered charity like St. Paul's Foundation, you eliminate the capital gains tax that becomes payable if you were to sell those units on the market.

Transferring mutual fund units is very easy to do. Simply follow these directions:

1. Advise your broker or investment advisor of your wish to make a gift of mutual fund units to St. Paul's Foundation of Vancouver and complete the attached transfer form (with your broker's assistance).
2. Your broker's back office will deliver the transfer form to us and arrange to have the units reregistered to St. Paul's Foundation of Vancouver's Scotiatrust account via the delivering Fund Company as noted:

For account of: Bansco & Co. I/T St. Paul's Foundation

Intermediary Account Number: 7801372819

Intermediary Code: BNSG

Dealer: 9155

Rep: RCC

Contact: Joanne Hetherington

Phone: 604-718-7102

3. Your broker **must** deliver the transfer form to our office, to the attention of Johann Boulter via Email: jboulter@providencehealth.bc.ca or fax: 604-806-8326. (If we do not receive a copy of the completed transfer form we are unable to instruct our Custodian to accept the transfer of mutual fund units and this will delay the completion of the transaction and the issuance of an official tax receipt.)
4. Upon receipt of the transferred mutual fund units (which may take several weeks), the Foundation will issue an official receipt to you, for income tax purposes, for the market closing price on the day the mutual fund units are received in our Scotiatrust (via Bansco & Co.) account.
5. It is the Foundation's policy that mutual fund units, once received by the Foundation, will be sold for cash to fulfill the donor's wishes.

Thank you again for making a difference in the lives of patients, and families, in BC. If you have any questions or need additional information, please do not hesitate to call either:
